Mayor Butler launched the Friends 4 Tennis in Yeadon initiative last year which is raising funds to build a community center and both indoor and outdoor tennis courts on the site of the old Yeadon Swim Club. In the meantime, with support from politicians, parents, and national and local tennis associations, Yeadon is holding tennis clinics for all age groups in two locations in the borough. Coach Koger is donating her time to teach tennis and serve as role model for girls and young women in Yeadon.

Mayor Butler said that all age groups are welcome and are currently enjoying the tennis clinics. For information on Friends 4 Tennis in Yeadon see www.yeadontennis.webs.com or call 610-284-1606.
