Electronic Waste Recycling Event to be Held

Yeadon Borough is partnering with Pennsylvania Resources Council (PRC), Pennsylvania's oldest environmental organization, and ECOvanta, one of the few electronics recyclers in the country to hold the highest environmental and quality accreditation of R2, or Responsible Recycler, to hold a free electronic waste recycling event on August 4, 2012 in the municipal parking in the 500 block of Church Lane (the site of the former Yeadon Movie Theatre) from 9 a.m. - 1 p.m. This event is rain or shine. Volunteers and staff are will be available to help unload your car.

They are offering convenient, responsible recycling of the following materials: computers, laptops, tv's, printers, monitors, DVD/DVR/VCR, fax machines, gaming consoles, audio equipment, telephones, cell phones, camera/camcorders, CD/DVD's and cases, GPS, iPod/MP3 players, remote controls, gaming and computer peripherals. Not accepted at this event: White goods such as refrigerators, freezers, washers and dryers or appliances that use freon.

This is a great opportunity to clean out your garage or basement with total confidence that ECOvanta will destroy your hard drive, protecting data on your electronic equipment and that nothing delivered to this event will end up in a land fill or overseas in a secondary market. Everything will be 100% recycled. ECOvanta has already collected thousands of pounds of e-waste and is happy to collect more. If it has a cord, bring it.
