

**Happy Holidays Yeadon Council, Residents and Friends:**

I hope this Holiday season finds you and yours Happy, Healthy and full of Hope for the New Year!

During the past four years, I have had the privilege of service on the Borough Council as a member and Vice President. I am extremely thankful for the opportunity, and I am excited about the bright future of Yeadon Borough and all its residents.

I regret that due to personal circumstances, my role as your elected Council member will end at the conclusion of my term (01/03/16). I was humbled by your support during this past election, and although I will not have the ability to serve a second term, I will work with the Council to ensure my replacement exceeds expectations and the transition goes as smoothly as possible.

The residents of Yeadon deserve the highest level of representation from their elected officials, and the timing and intensity of the changes in my personal circumstances makes it impossible for me to serve you at that high level.

With the greatest amount of appreciation, I recognize my fellow members of the Yeadon Borough Council, the Mayor, the Manager, Yeadon staff, our Solicitor, the Possenti Management Group and all the individuals who give so much of themselves every day. A special thanks to President Sharon Council, her leadership has been a huge benefit to the entire Council.

It has not always been easy, but in most cases, professionalism, intellect, and communication prevailed, and the business of the Borough was completed. You are the reason Yeadon is moving forward in many ways. Keep up the great work!

Despite the changes, our friendships will continue--as our desire to see Yeadon evolve in a positive way.

I hope Yeadon Borough and our surrounding municipalities will experience peace and joy this holiday season and always.

Thank you for allowing me to make a positive contribution to the Borough of Yeadon. I can be reached via the Borough.

Best Regards,

**Nelva Wright**

Vice President

Yeadon Borough Council
