2016 Yeadon Borough Budget Narrative

General Fund

The General Fund is the main operating fund for the Borough of Yeadon. Revenues from this fund come from taxes which include real estate, real estate transfers, local services taxes, and earned income tax. Other forms of revenue could include fees for licensing, permits, violations and fines, interest, state and federal shared revenue and general government charges and/or services.

The diversification of revenue sources provides for stable income, limits the possible impact in an economic downturn and creates a reasonable basis of allocating the cost of services among businesses and residents in the Borough of Yeadon.

The revenue stream for the Borough is well balanced to allow for income growth during strong economic periods, yet stable enough to produce sufficient revenues during downturns and recessions. The Borough must continue to closely monitor the revenues during 2016, since most of the revenues are directly linked to the economic activity in the Borough.

Real Property Taxes (Account 301)

Real Estate Taxes are a very stable source of revenue for the Borough. Under the Pennsylvania Borough Code real estate taxes are levied on real property in the Borough and are collected by the elected Tax Collector. The tax rate is set annually by Ordinance, which provides for discounts and penalties. The real estate valuation is made by the Delaware County Tax Assessment Office. The Borough's total assessment for 2016 is \$ 321,232,571.00. Thus, calculating for a 2% Discount rate and a 6% Delinquency rate the net mill in 2016 will be \$ 295,534.00. There will be **NO INCREASE** in real estate taxes for 2016. The millage will remain at 9.89 mills.

Local Enabling Taxes (Account 310)

The **Realty Transfer Tax** reflects a rate of 0.5% of the sales price for real estate transactions occurring within the Borough for 2016. The tax is remitted to all levying bodies on a monthly basis by the Delaware County Treasurer's office. The 2016 budgeted amount is based on prior years' collections and current housing marketing trends.

The **Earned Income Tax** of 1% is being collected by Keystone Collections under Act 32 primarily through employer withholding. All persons residing in the Borough and receiving earned income and/or net profits are required to file an annual return with Keystone Collections. This is the Borough's second largest revenue source and is collected in January, April, July, and October of each year. Revenue from this tax is impacted by shifts in population and fluctuations in wage earnings. The tax this year is budgeted based on prior year collection history, current economic trends, area employment rates, and current collection percentages.

The **Local Services Tax** is a flat tax in the amount of \$52.00 levied on all persons employed within the Borough, regardless of their legal place of residence. Keystone Collections collects this tax primarily through employer withholding. The tax this year is budgeted based on prior year collection history, current economic trends, area employment rates, and current collection percentages.

Licenses and Permits (Account 321 – 331)

Soliciting Permits are required to be obtained by anyone who is temporarily selling or soliciting in the Borough neighborhoods.

Street and Curb Permits are required by contractors to obtain from the Borough whenever they excavate or occupy a public street.

Cable TV Franchise Fee is paid by the Cable TV companies for right-of-way rights in the Borough at a % of gross revenue collected by the Cable companies from subscribers.

Court Fines are imposed and collected by the District Justice for criminal and/or civil citations issued by Borough Police and the Code Enforcement Officers in violation of the Pennsylvania Motor Vehicles codes and the Borough Ordinances.

State Vehicle Code Violations are received by the Borough as a distribution of fines collected by the Commonwealth for Vehicle Code citations issued by the Pennsylvania State Police. Distribution is based on a formula that includes Borough road mileage and population.

The estimated 2016 amounts are based on prior year collection history and the present economy.

Interest, Rents & Royalties (Account 340 – 342)

Interest Earnings revenue is received from interest earned on the investment of temporarily idle Borough funds, determined by the amount available for investment and the current market rates. Pennsylvania law limits investment options to those that are relatively risk-free. In addition, financial institutions are required to collateralize municipal deposits in accordance with State law. The Borough's idle funds are invested in Republic and Beneficial banks.

Rents & Royalties are rents that come to the Borough from the Hall and Clear Channel.

Grants, State Shared Revenue (Account 351 – 355)

Federal and State Grants are normally placed in a separate fund or bank account for easy record keeping and is usually a one-time revenue producer and may require matching funds. No large grant funds are anticipated for 2016.

Public Utility Realty Tax is a distribution from the Commonwealth for a portion of the State tax on realty owned by public utilities. The distribution is based on a formula that compares the ratio of the assessed value of public utility realty in the Borough to the assessed value of all public utility realty in the State. 2016 tax monies are based prior year collection history.

Liquor License Fees are received from the Pennsylvania Liquor Control Board (PLCB) that distributes State license fee revenue to the Borough for the establishments currently licensed to serve alcoholic beverages in the Borough. 2016 tax monies are based prior year collection history.

Pennsylvania Act 205 Municipal Pension State Aid is received from the Pennsylvania Department of Auditor General to assist with funding of the Police and Non-Uniform Pension Plans. The Commonwealth imposes a tax on the premiums of Casualty and Fire Insurance policies sold by out-of-state insurance companies. The Municipal Pension Plan Funding Standard and Recovery Act 205 of 1984 establishes the General Municipal Pension System State Aid Program financed from the proceeds of this tax. The Act provides for the allocation of this money to Municipalities based on the number of full-time employees participating in municipal retirement systems. It varies from year to year. 2016 tax monies are based prior year collection history.

Fire Insurance Premium Tax received from the State is deposited and goes directly to the Yeadon Fire Company Relief Fund. The 2016 monies budgeted are based on the 2015 receipt.

Licenses & Permits, Charges for Services (Account 361 – 362)

Resale and Rental Occupancy Permits are required prior to the sale or rental of property. The Code Enforcement Officer conducts an inspection of the property to verify Borough Code compliance before the property is sold. This permit is issued by the Code Enforcement department and is subject to property inspection.

School Crossing Guard Reimbursement is received from the William Penn School District reimbursing for 50% of the cost of providing School Crossing Guards.

Police Accident Reports are derived from fees charged by the Borough Police Department for copies of incident and vehicle crash reports and record checks.

Building, Electrical, and Plumbing Permits revenue is derived from permits issued by our Certified Building Official. This permit fee will vary depending on the project and is outlined in the Schedule of Fines, Fees, and Charges.

Estimated collection of fees for the 2016 Budget are based on prior years actual collected amounts, to provide an informed estimate of what can be collected in the upcoming year.

Miscellaneous Revenues and Other Financing Sources (Account 380 – 396)

Refunds of Expenditures during the current year are reported in this category.

Sale of Fixed Assets revenue is derived when the Borough divests itself of capital assets such as vehicles, buildings, land, etc.

Interfund Transfers records revenue received in the General Fund from other funds. The Borough receives revenue from other funds. These are reimbursable expenses that are paid from the General Fund and then transferred from the respective funds.

Program Revenue, Flag Day Events record all donations, contributions that are directly related to specific programs that are maintained and/or run by the Borough.

GENERAL FUND – EXPENDITURES

Purpose

The General Fund is the primary operations and maintenance fund for Borough activities. Through this account, which is funded by various means as stated under General Fund – Revenue, the Borough provides for direct financing of general municipal operations, including administration, finance, police, economic development, fire and emergency services, and public works.

Generally, services provided by the Borough with costs that cannot be earmarked to a specific fund, are paid through the General Fund. Expenditures within the General Fund increase due to residential and commercial growth in the community, new initiatives undertaken by the Borough, federal and state mandates, and inflationary pressures. It is the Council's goal to see that Borough funds are appropriated properly and effectively.

Considerations

The Borough will be focusing on the following policy objectives:

Quality of Life Initiatives: The Borough will continue to address code enforcement and zoning reviews, in order to enhance neighborhood preservation reduce the number of blighted properties and to bring properties and to bring properties into compliance with existing codes. In addition, the Borough will seek out other activities that will enhance and/or maintain the community's perception of Yeadon Borough as a quality location to live and work.

Internal Efficiencies: The Borough will continue to improve organizational efficiencies by customizing business practices and streamlining operations, increase training to broaden the skills of employees, and better utilize technology to reduce operating costs.

Legislative Body, Administration, Financial, Tax Collection & Legal Services **(Account 400 – 409)**

Legislative Body (Account 400)

Council and the Mayor's Salaries, as well as, benefits are reflected in these accounts. Transcription services, Meeting and Conferences make up the majority of the remaining costs under Legislative. Purchasing of I-Pads is included for Borough Council and Department Heads. Monies are allocated for Public Relations Coordinator and for social media expenses.

Administration (Account 401)

The management firm is reflected in these accounts with a Borough Manager and two administrative assistants for professional management and administrative support to the Council. The management firm recommends and makes suggestions to the Council and implements the policies Council makes while ensuring their legislative intent. The management firm oversees the municipal workplace. There are no benefits or employment taxes paid, saving the Borough thousands of dollars. Telephone, Technology, Postage, Advertising, Minor Office Equipment, Meetings and Conference expenses are based on prior year actual history.

Financial Administration (Account 402)

Salary for the Borough's Financial Administrative employee is reflected with a 2.75% increase. The benefits for this employee are increasing 6%. The management firm's Director of Finance is listed here and receives no benefits and the Borough does not pay any employment taxes. Other large expenses are the annual payment for the DCED audit and the monthly fee to Paychex, the payroll company used by the Borough.

Tax Collection (Account 403)

The Tax Collector is compensated by the Borough under the Borough Code for the collection of the Real Estate tax in 2016. Other expenses include Technology, Operating Supplies and Postage which is based on prior year history.

Legal Services (Account 404)

The Borough retains the Law firm of Charles Gibbs, as Solicitor for the Borough. The Solicitor represents the Borough in litigation and hearings, prepares legal documents (i.e. ordinances, resolutions, contracts, etc.) and provides legal counsel on labor. Money is budgeted for other Legal issues outside of general services.

Engineer (Account 408)

Borough Council has retained NDI Engineering & Associates, namely Eileen Mulvena, as the Engineer for the Borough. Eileen Mulvena offers counsel and experience to the Council. Fees for the Borough Engineer and Code and Property Maintenance Abatement are reflected into this account to ensure the Engineer is available for any infrastructure issue and for attendance at Regular Council Meetings. Responsibilities include, but are not limited to, reviewing land development, subdivisions and public works projects. There will also be engineering expense in the sewer and trash funds.

Insurance and Bonding & Facilities and Hydrant Service (Account 401 – 486)

Insurance and Bonding (Account 401, 403, 409 & 486)

This section covers multiple insurances such as Workers Compensation, Property and Casualty, Police and Public Official Liability, Fidelity and Surety Bonds, Crime Coverage, Automobile Insurance and Tax Collector Bonding. There is an estimated 5% increase from 2015 per our Insurance Broker Arthur J. Gallagher.

Borough Facilities and Hydrant Service (Account 409 & 411)

Expenses in this section cover all payments for repair/maintenance, electricity, gas, water, small equipment and tools associated with the Borough Building and Hall. Also reflected in here is our rental fee for the hydrant services.

Police, Fire, Code Enforcement & Emergency Management (Account 410 – 415)

Police (Account 410)

All Police requests are included in this section. Per the Police Contract Full-Time Police Officers receive a 2.75% salary increase. The Part Time Police will have a \$1.00/increase per hour to \$18.45 an hour. Health benefits have increased 5%. All Non-Uniformed employees working in the Police Department are to receive a 2.75% salary increase. This line item also includes the hiring of one full-time Police Officer mid-year per the Chief's request. Services from the Police Department include answering police calls, investigating accidents, enforcing Yeadon Ordinances and the PA Motor Vehicle Code, investigating and making arrests for criminal acts in violation of the PA Crimes Code, operating speed checks, attending court proceedings as required, and providing routine patrol. Money is also budgeted for the financing of one Police vehicle. All other expenses are based on prior year actual expenses.

Fire (Account 411)

Yeadon Borough Volunteer Fire Company provides the Borough with fire protection and emergency response services. Firefighters operate various fire apparatus, implement all local and state fire code enforcement and fire safety education programs. The fire relief is monies that the Borough receives from the state each year. The Borough is required to forward the entire amount to the Fire Company. Annually, the Borough pledges an amount to the Company to help provide additional funding for the many needs of the Company which includes new garage doors and two new pieces of fire apparatus.

Code Enforcement (Account 413)

This department includes action pertaining to subdivision and land development and the planning and enforcement of zoning and property codes in the Borough. The Code Enforcement Officers responsibilities are defined under the Borough Code. The purpose of enforcement is to protect the quality of life within the Borough and meet the requirements of State Law and Borough Ordinances. Additional functions of the Code Enforcement Department include, but not limited to, evaluating and presenting options for the Council in various zoning situations as they arise, assisting the Council in revising Borough's Ordinances as needed, property maintenance code enforcement, resident consultations and requests for information, presenting a report to Council at monthly meetings, land use requests, Zoning Hearing Board appeals, and zoning ordinance violation enforcement. All Code Enforcement requests are included in this section. All Code Enforcement employees are to receive a 2.75% salary increase. Health benefits are increasing 5%. Financing of an environmentally friendly Code Enforcement car is also reflected in this department.

Emergency Management (Account 415)

Emergency Management employees are to receive a salary increase of 2.75%. An upgrade of Computers is reflected in this department for 2016. All other expenses based on prior year actual history.

Highway, Recreation & Library (Account 430, 452 & 456)

Highway (Account 430)

Per the Public Works contract all Highway Union Employees are to receive a 2.75% increase. Benefits are increasing 5%. Highway salaries and benefits are allocated between the General Fund, Sewer and Trash Fund. The Borough is purchasing new parking meters and the possible purchase of a new bucket truck. Funds allocated for Highway Department include Wages, Benefits, Gas, Oil, Diesel Fuel, Summer Help, Overtime, and Materials and Supplies.

Recreation (Account 452)

In 2016 the Borough will continue to support Yeadon Borough's recreation expenses with contributions and staff cooperation. Funds for ongoing support in 2016 are budgeted in the Recreation\Community Programs line item for Mount Moriah Cemetery, NAACP-Kwanzaa, Senior Community Services, On Stage Productions, Yeadon Education Athletic Association, and the Drill Team.

Library (Account 456)

Yeadon Borough Library salaries are increasing 2.75%. Benefits are increasing at 5%. Also, the Borough allocation is slightly being increased.

Other (Account 480 – 496)

Money is budgeted for the principal and interest payments on the outstanding bond, as well as any miscellaneous expenses.

Sewer Fund

We are **DECREASING** the sewer fee for 2016 to \$8.00 per 1000 gallons of water usage. All expenses are based on prior year actual history. The sewer fee is used for quarterly payments to Darby Creek Joint Authority, maintenance and repairs to the sanitary sewer lines and Engineering fees for those projects.

Trash Fund

There will be **NO INCREASE** in the trash fee for 2016. The fee will remain at \$225.00 per household. The trash fee is a revenue neutral fee. It pays for the trash collection and recycling fees that are charged through our subcontractor.

Liquid Fuels

Funding from the Commonwealth of Pennsylvania is included in this account for installation of new or replacement signs and/or lighting throughout the Borough. It also includes the cost of traffic marking paint, signs, posts, and other hardware that may be associated with making the roadways safe. This also gives the Borough the ability to provide Snow/Ice Removal Services for the roadways within Borough's limits. Storm Sewer systems and inlets utilize the Liquid Fuel Funds for repairs.
