Mayor Rohan Hepkins
Public Safety Committee

Dear Mayor Hepkins:

It is my pleasure to present to you and Council the Police Department's Monthly Report for the services performed by the members of the Yeadon Police Department for the period December 01, 2017 to December 31, 2017. During this time period, I would like to personally thank Sgt. Anthony Johnson who led the Department during the search for a new Chief of Police which resulted in my swearing-in on January 2, 2018. Sgt. Johnson has been an integral part of my learning the operations of the Yeadon Police Department. His help during this early transition stage has been noteworthy and appreciated. I look forward to working with you, the Mayor, Council, Borough Staff, Police, and to serving the residents of Yeadon Borough with honor.

General Information. Information is a vital part of being able to provide answers to residents that can help others understand the dynamics of law enforcement and the activities that occur daily to make a community safe. This report contains information obtained from the Department's Alert2 Information Records System. Instead of providing you with just totals, I wanted to provide you with reports that provide more information to better understand what goes on in the Borough, and the work of the personnel in the Department. Details that you would normally see in the report will be provided, and unless otherwise directed, expect to see this style of reporting from me throughout the year.

Police Department Activity

1. Review of Department procedures is underway.
 - a. Issuance of Operational Orders for my notification of significant events.
2. Review of staffing levels and part-time Officer staffing needs (to be proposed).
3. Review of the Policy Manual.
4. Review of Incident reporting policies.
 - a. I have contacted DELCOM and am having formal Incident Report numbers placed in effect at DELCOM. The purpose of assigned Incident Report numbers accomplishes:
 - i. Proper reporting of incidents pursuant to time/date/sequence/location.
 - ii. Ending of handwritten Police 48 Reports (should save Dept. about \$2500.00 or more a year).
 - iii. This Order/Policy will take effect once DELCOM gives me the green light that they have the work performed to get this started on their end.
5. Department meeting held Wednesday, January 10, 2018 at 1900hrs. to introduce myself and my philosophy to the Department Officers, and where I see us going into the future.
6. Review of purchasing within the Department.
7. Review of equipment and vehicles in the Department.
8. Meetings with various residents and officials that have visited the PD or I have met on the street so far. I still have many individuals that I must introduce myself to, this week has just as one might expect been busy getting acclimated and addressing priority issues at hand.
9. I am interested in creating a design-a-police car contest for Yeadon students to develop ideas for a new look of our patrol vehicles.
10. I will also be meeting with School officials to develop plans for safe schools and mentoring of students by our officers in the schools by having officers adopt a classroom(s) for the year.
11. Plans for increasing patrols in light of recent vehicle break-ins.
12. Promoting Yeadon through the use of my twitter account @ChiefChachi_YPD.

More to follow.....

Respectfully submitted:

Chief Anthony R. Paparo
