Summary Narrative

As Spring and Summer approaches the conversation focused on outstanding topics and eyesores in and around our Borough:

1. Bus shelter: Yeadon owns three shelters which are in deplorable condition. We are asking consideration to repair or replace the shelters. Photos and estimates were given to management in 9/2018.
2. Gateway Signs: Committee would like to move forward in obtaining approval for purchasing gateway signs.
3. A list of trees in and around the Borough have been identified as "shade trees." There is an obligation to the Borough as well as the residents. We would like to know from management or the Solicitor where we are with respect to identifying the obligation of the respective property owners.
