

**Here at The Yeadon Public Library (Y.P.L.) the Lights are always On After School!**

Our After School Program provides numerous opportunities for students of all ages. Elementary students become inspired by middle, high school and college students to learn. Our program also ensures working families in our community that their children are in a safe and structured environment. Our After School program provides homework help, arts & crafts, a host of stem and steam educational and fun programs, projects and activities, not to mention Lots of Fun.
