Mayor's Forum: The third of the four (4) quarterly Mayor's Citizens Forum was held on-line via Zoom, as well as in-person (in the Borough Auditorium) on Thursday, September 2, 2021. The next scheduled meeting will be on Thursday, December 2, 2021 also at 7:00 p.m. Approximately 150 to 200 people attended in person, while another 60 or so attended virtually. This was a special meeting to apprise the community of the proposed marijuana dispensary at the old Citizen's Bank site. The meeting was passionate, with the owners of the proposed facility available on-line while residents requested answers regarding the facility and how it would impact the quality of life in Yeadon and that particular location.

Marijuana Dispensary Follow-up: Residents organized a protest at the site on Saturday, September 4th by demonstrating at the Church Lane and Guenther site from 10 a.m. to noon. In addition, several more demonstrations were organized at the site during the week.

Marijuana Dispensary Protest March Scheduled for Saturday, September 11: Organizer's against this facility has scheduled a protest march for this Saturday between the hours of 10 a.m. to noon. Marchers plan to march from Borough Hall down Church Lane to the site at Guenther.

Many residents are requesting their legislators block the impending dispensary, and if not possible, to perhaps move the location to another part of the borough – where it wouldn't reside in a residential area.
