

# Free Rain Barrel & Stormwater Management Webinar

Receive a free rain barrel and learn to manage storm water on your property!

## Rain Barrels:

- Reduce Water Pollution
- Reduce Local Flooding
- Provide Free Garden Water
- Save you Money

Attendees will learn about the problems associated with stormwater runoff, ways to conserve water in their homes, and watershed friendly landscaping techniques. The workshop will also cover the basics of how to install and maintain a rain barrel.

You need to attend the webinar to pick-up a rain barrel. Rain barrels will be available for pick-up from 4-6 PM the day after the webinar. You must be able to pick-up your rain barrels during this time as no other pick-up dates/times will be offered.
