The Public Works Department is at 544 West Cobbs Creek Parkway.

- E-Waste Drop Off: 08/28/2026 8:00 am to 2:00 pm.
- Yard Waste Drop Off: 09/11/2026 8:00 am to 2:00 pm

Announcements:

- The public works department responded to 4 different sanitary sewers concerned this month which have since been repaired and three storm sewer issues also repaired.
- Potholes are filled on a weekly basis.
- I'm in the process of having the shade trees evaluated with several arborists, more information to share soon.
- Following up from last month's storm we still have one outstanding ticket from PECO to reconnect one streetlight on the 1400 block of Longacre Blvd.
- Peco Gas Project between MacDade and Duncan Ave and on Bell Ave between MacDade and Rundale Ave. They started tying in gas services several weeks ago.
- Alan Myers under contract with PennDOT will be performing milling paving in the Borough, Church Lane from MacDade Blvd to Baltimore Ave milling will start mid-September, these dates will be tentative to weather conditions, all work will be performed in the nighttime.
- Twice a week trash pickup started on July 6 and runs through September 4.
- A pre-construction meeting last week went well, The West Cobbs Creek Pky traffic coming ADA improvement project. When we receive information it
- The Peco Gas project from MacDade Blvd Through Darby on Wycombe Ave to Union ave is in the mill and overlay phase.

BOROUGH OF YEADON

Projects

- **Abatements are enforced on weekly communication between the Code Dept. and the Public Works Dept.**
- **Graceland Cemetery is in the proccess of a major cleanup from the previous storm, trimming up trees and locating gray plots.**

Highway Maintenance:

During the months of July and August the Public Works Department completed the following regarding highway maintenance.

- Removed and installed handicap signs with the Chief's approval.
- Potholes are being patched and repaired as they arise. We ask if residents see a pothole, please report it to the Public Works Department at 610-623-3636.
- Storm inlets are being maintained and inspected of all trash and debris to ensure the stormwater run-off system is operating as designed.
- All Borough property, sidewalks and parking lots are kept clean on a weekly scheduled basis.
- Monthly routine maintenance and checks were performed on all Borough vehicles.
- Monthly routine inspections on all parking lots were performed around the Borough.
- Monthly vehicle issues were handled as they arose.
- Borough vehicles' state inspections and general maintenance have been completed.
- Trash and litter are picked up on a daily basis.
